Dear Parents/ Caregivers

The Junior Girl Dance Group and Senior Girl Dance Group will be participating in the Hawkesbury Dance Festival tomorrow night, Wednesday 16th October.

Tomorrow, the girls will travel to and from school during school hours for their rehearsal at the Windsor Function Centre. Parents are not required to attend this part of the day. At the rehearsal, students will practise their dance routines and learn where they will need to meet in the evening. Students will need to be in normal school uniform for the rehearsal, and will only need to bring a drink bottle if they wish. They do not need to wear costumes, nor have their hair and make-up done. The girls will be back at school in time to eat their recess and return to class for the middle session of the day.

In the evening of Wednesday 16th October, the Dance Festival commences at 7:00pm and will finish at 9:00pm. Any tickets that were ordered should have now all been received in the form of the evening’s program. Do not forget to bring this along with you on the night for entry into the Festival. It is expected that all audience members remain for the whole evening to avoid disruption to other groups performing.

The students participating in the Festival should arrive at the Windsor Function Centre between 6:00pm and 6:30pm with their costumes on (including dance stockings and dance shoes), make-up and hair already done.

All girls participating in the Festival will bring home their costume from school on Tuesday. On the day after the Festival, all costumes will need to be returned to school with your child. Please ensure all parts of the costume are returned as they were delivered.

We hope you all enjoy the evening, and help us in celebrating the wonderful achievements of the dancers this year.

Kind regards

Miss Zammit and Mrs Simi
Dance Coordinators

Gary Condon
Principal
