Myuna Bay Camp – Urgent Information

Dear Parents,

The Stage 3 Myuna Bay camp is not far away and we are all getting very excited. Unfortunately, in my change of schools at the beginning of the year I have missed an email regarding the health forms for the camp. The campsite has asked that all attendees complete an online medical information form that will load directly into their data base. My apologies in asking you to redo this task. I have just done mine and it is not complicated.

The information you will require is:

Booking Number: 0444798

Campsite: Myuna Bay

Start Daye 6/6/16

Organisation: Comleroy Road Public School

The link is:

<https://sportandrecreation.nsw.gov.au/facilities/medicalandconsentform>

Thank you for your time and I appreciate your promptness in completing the form.

They are due by this Friday 13th May 2016.

Again, my apologies for this oversight.

Kind regards,

Cheryl Walker
