

## Cherrybrook Public School

Dear Parents and friends of Cherrybrook PS

It has been a busy few weeks with our office staff out for many days training for LMBR and then training for the principals. It has been a seismic shift for Mrs Rhonda Allison and Mrs Lyn Shakeshaft to 'take in' this new knowledge. I appreciate their due diligence in ensuring the program will be successfully implemented. Please read the LMBR newsletters that Mrs Allison has produced to assist you in some of the new processes regarding invoice payments. As I will be retiring at the end of term, I have had Mrs Bridgwood accompany me to the training sessions, so she can be aware of the new system and its applications at school. Our school is in an excellent position due to our outstanding office staff. Although they are working hard to ensure it's smooth introduction please be aware that there may be 'hiccups' along the way. Over 40 schools will 'go live' in a few weeks time. Mrs Allison will present a more detailed look at LMBR at a P&C meeting next term.

### Kindergarten Enrolments 2017

The school is taking Kindergarten enrolments for 2017. Can you believe it? We are in the throes of planning for 2017. We are earlier than usual due to the introduction of LMBR, our new business/finance/office program. If you know of any friends or relatives, who are in our zone, please encourage them to collect the enrolment pack from the office. I am envisaging once again a large Kindergarten intake as the area grows. It is highly unlikely for the school to accept any out of zone students unless siblings are already enrolled.

### Keep Kids Safe: #parentscheckthecheck!

Parents or carers who engage the services of a private tutor or coach have an important role to play in helping to keep their children safe.

From 1 April 2016 adults who provide private tuition or coaching services to children will need to obtain a new Working With Children Check.

The Certificate for Self Employed People will no longer be valid after their expiry date and the certificate holders will need to apply for a new Working With Children Check.

Parents or carers should ask their child's tutor or coach for their name, date of birth and their Working With Children Check number.

They must then go online and verify the tutor or coach is not barred from working with children in NSW.

Verifying that a tutor or coach can work with children is quick and easy, just follow the simple steps at [www.kidsguardian.nsw.gov.au/parentscheckthecheck](http://www.kidsguardian.nsw.gov.au/parentscheckthecheck).

If you suspect that an adult is providing services to children without a Working With Children Check you can go online to make a confidential report or phone (02) 9286 7219.

Help to keep kids safe by sharing #parentscheckthecheck with your family and friends through your own social media networks.

Have a wonderful week.

### Regional Sporting Representatives

Best wishes and good luck to Tomas K and Joshua T Year 6, who will be representing the school and Northern Sydney Region in the state AFL competition today. We are looking forward to hearing how they played. They are up against some very strong teams particularly from the Riverina region. All the best boys.

### New Website for CPS

It has been several years since our school website was updated to meet the needs of our school. The computer on which it is housed is very old and overdue for replacement. The NSW Department of Education offers a website hosting scheme which we felt is the best way to move forward. John Purchase, Oakhill Drive and Pennant Hills Public Schools all use this service. The payment page and newsletters have been updated to link with our new website along with the school calendar. The 'old' website will remain online for the rest of Term 2. Follow this link to view the new site <http://www.cherrybrok-p.schools.nsw.edu.au/>.

### Our students

On two recent excursions (Year 6 in Canberra and Year 1 at the Field of Mars) many of the guides and presenters commented on the excellent behaviour and sound knowledge of our students. One guide stated that they 'could not recall a better behaved group of students'. It is very pleasing indeed to think that our school is seen in such high regard.

### Zone Cross Country Success

Congratulations to our 12 year old Girls Cross Country team who were the zone winners in the team event at last week's carnival. All children represented our school with pride and performed to the best of their ability. Well done to all! A more detailed report coming soon.

## State Knockout Girls Softball Continue their Winning Streak!

Our “Cherry Bombs” Softball team continue to improve and have been playing some great softball in the last two games. Last week’s Round 3 game saw the girls really get their “batting game” and base running happening to defeat John Purchase PS 25-4. Miss Younan and I both agree that the team are a delight to coach and their fantastic attitude to training and developing skills of the game are a credit to each of them! Our next game will be played against either Harbord PS or Avalon PS.

## Inter-School Chess Team Results – Round 2

Last week’s games saw our school team achieve some of its most solid results since we started competing in this competition a few years ago!

Our Championship “A” team - Junyoung, Andy, Mikhail and Seyoung played Baulkham Hills North “B” team and secured a solid victory 4-0.

Our Intermediate “B” had a forfeit against North Rocks “D” while our Intermediate “C” team – Bernard, Isaac C, Kayur and Sunny secured a great 3 1/2-1/2 win over North Rocks “C”. Bernard was very unlucky in his game to be in a great winning position and to come undone with a stalemate!

A pleasing effort by our Rookie team to get a draw 2-2 against the Kings School “E” team. A particular mention to Gabriel who showed great courage, patience and effort in his game!

## Live Life Well

## Fundamental movement skills

There is evidence that children with poor fundamental movement skills such as jumping, skipping, leaping, kicking, throwing and catching are less likely to be active. Give your kids a head start and teach them these skills.

## You Can Do It!

### Social and Emotional Development

Social-emotional competence develops as children mature. Social and emotional capabilities of all children strongly influence their achievement, well-being, and relationship outcomes.

Emotional intelligence is the capacity for recognising our own feelings and those of others, for motivating ourselves, for managing emotions well in ourselves and in our relationships.

The following clusters of social and emotional capabilities lead to positive outcomes in young people:

**Cluster 1:** Resilience → Emotional Well-Being

**Cluster 2:** Positive Work Orientation → Achievement

**Cluster 3:** Positive Social Orientation → Relationships
